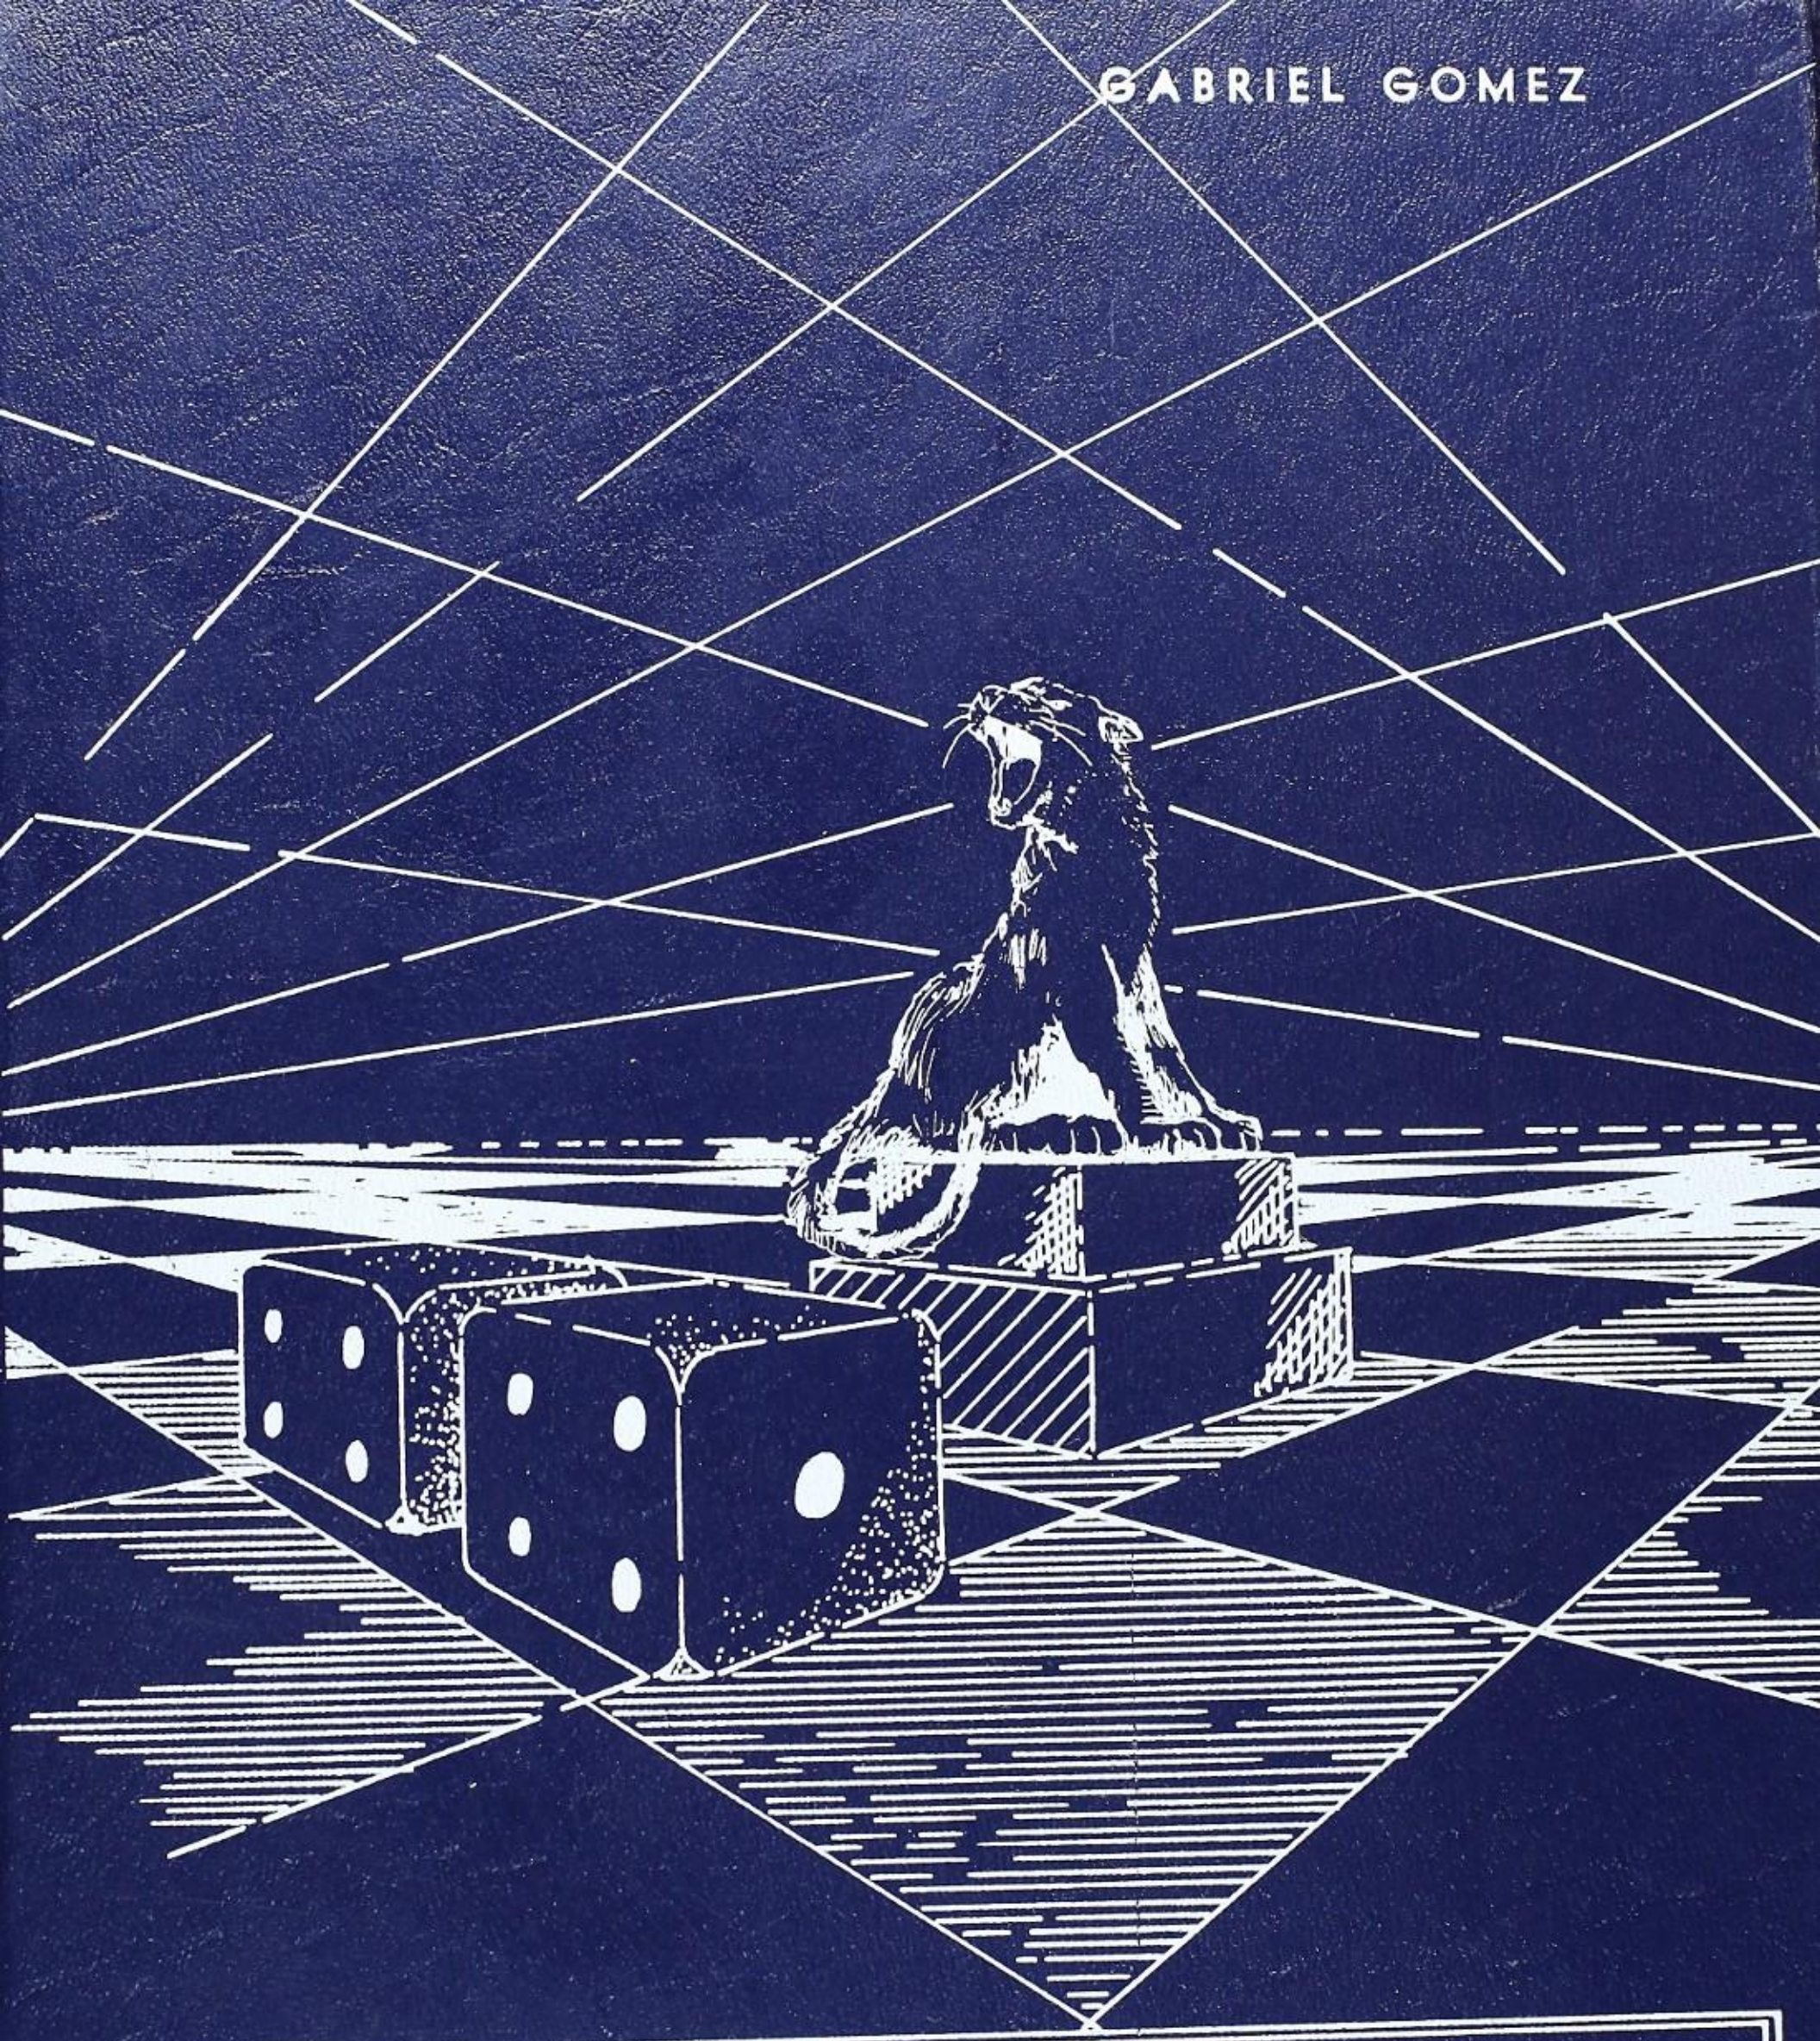
GABRIEL GOMEZ



THE LOGGE

Gabriel,
You are a super sweet guy and you're very special to me. Let's forget the bad times of the past. Love ya!
Stephanie

Gabriel,

To a dear "Old" friend! (HA!) I'm so glad we are becoming closer friends now! I'll always remember our "young love"! (HA!) You always seem to be so happy! Does anything ever get you down? Thanks for being our Angel Escort this year! We are gonna have some good times! I hope our friendship grows stronger!

Love Always,
Tracy Poole

BE GOOD!

Sr. '83

Gabriel,
You are really a SWEET person? We have been friends for a pretty LONG time - huh? I hope we can get to know each other a little better, seeing that we have more classes together this year? GOOD LUCK w/ EVERYTHING? I know you'll go far in Life?
Take Care & God Bless?
Love ya'?

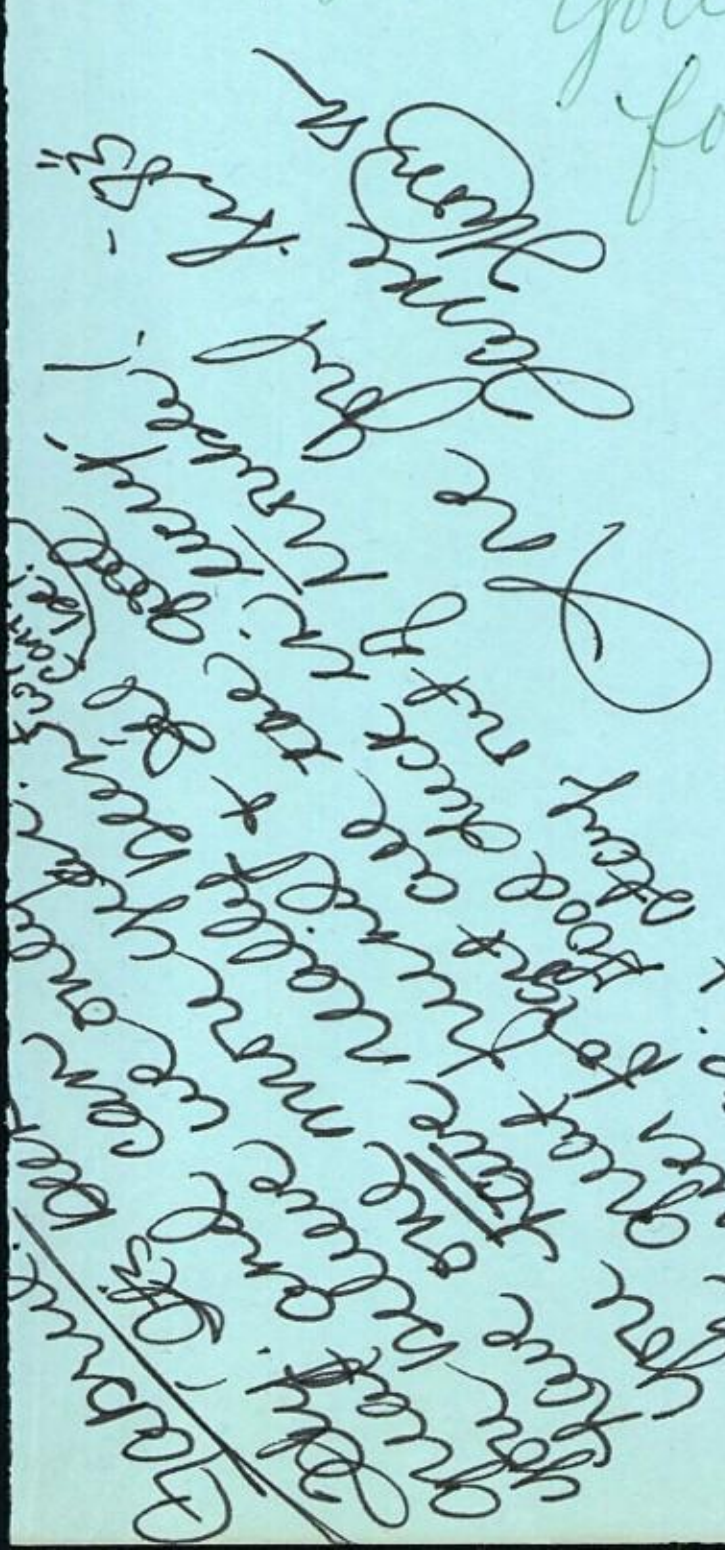
Friends Forever

Dearest Gabriel,

A green pen on blue paper. Boy, what a colorful person I am. You are swell. I really have enjoyd our times together. Hope there will be more this year, because a friend like you is hard to come by. You have it all! Looks, personality, thoughtfulness, more looks. Besides you have a friend forever ... me.

Love always,
Cindy Angelcyk

God Bless
Good Luck



Gabriel,

You are really a super person! You're super sweet and nice. You have a great personality. You've meant a lot to me as a friend and whatever. I hope that we can become close friends. I think you know a lot more about me than others and I think I can trust you with any secrets I might tell. You're very nice looking and you have a nice physique too ☺! This will probably be our last school year together so let's not louse it up! I don't know what else to say except- you're very special to me and I love you!

Stay in Touch

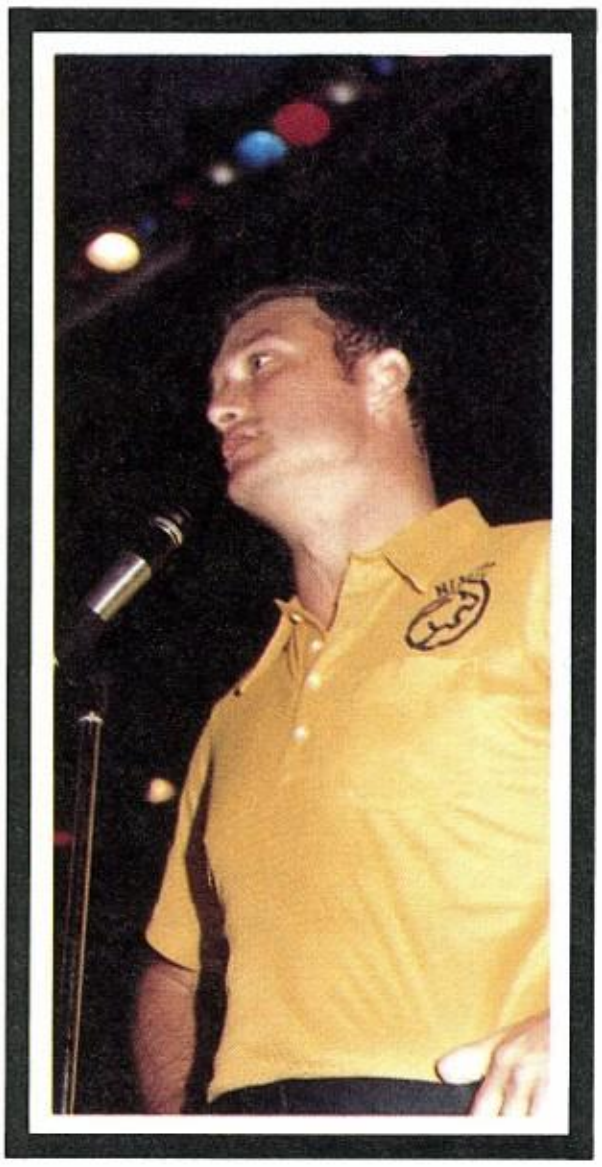
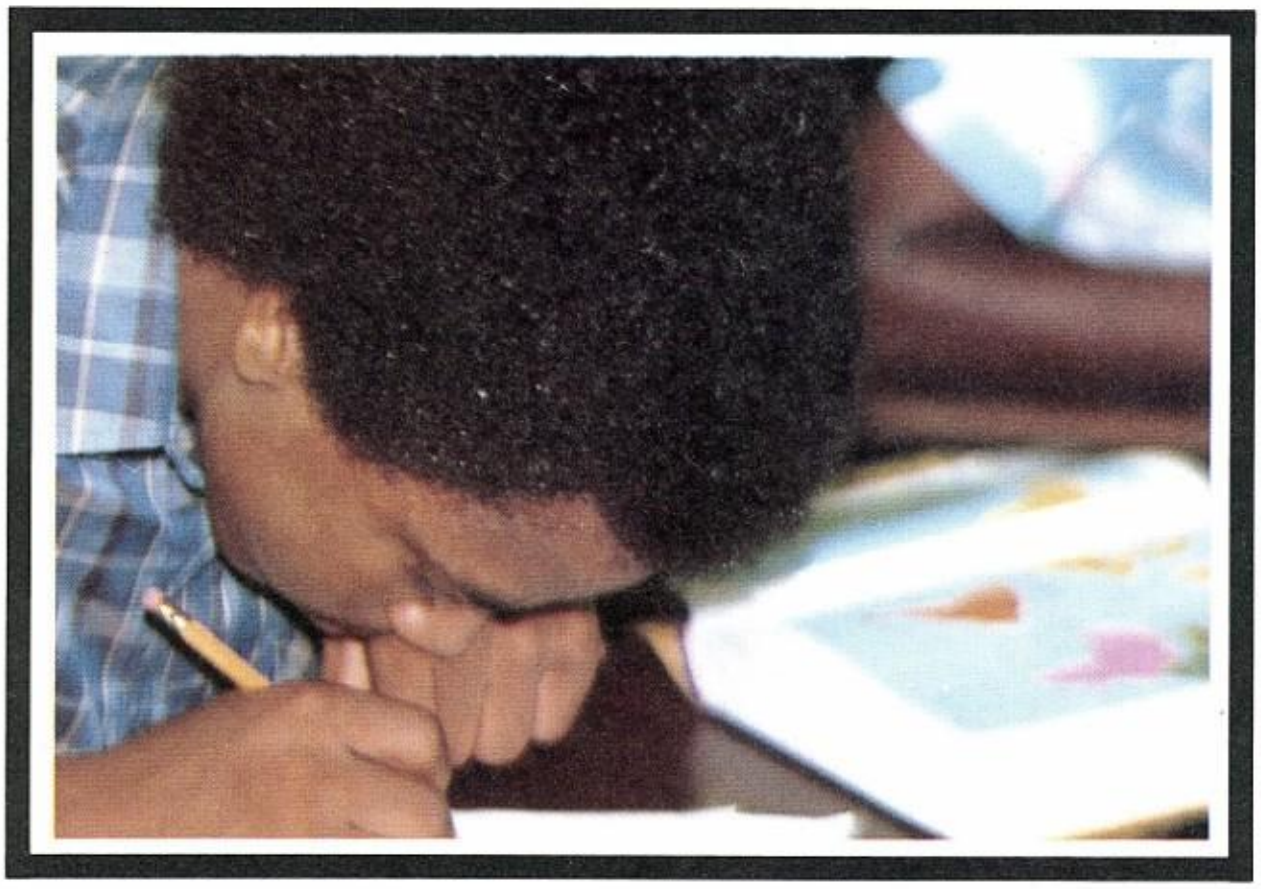
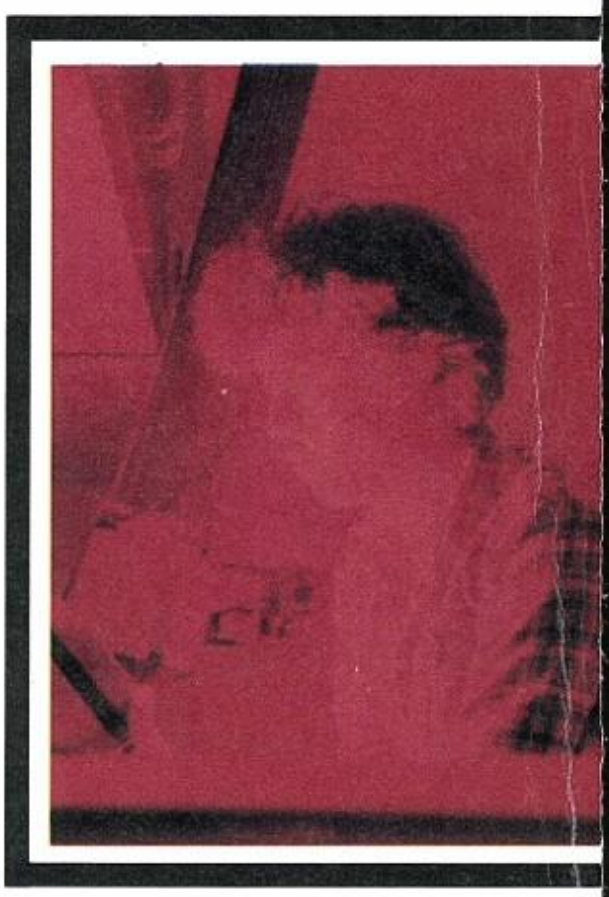
The Game of:

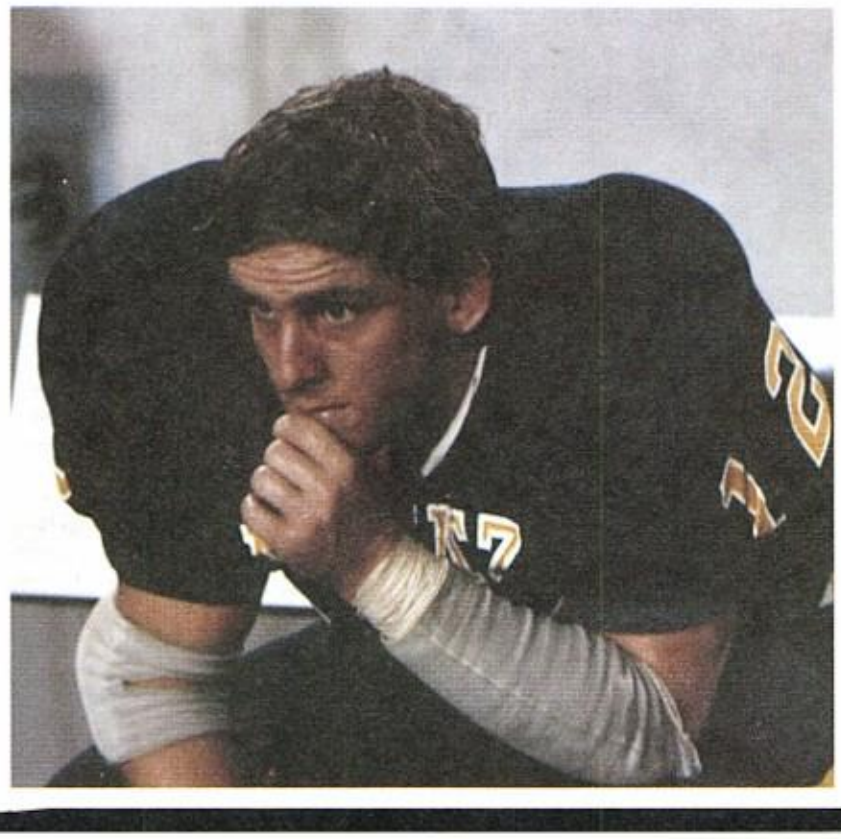
Nimitz

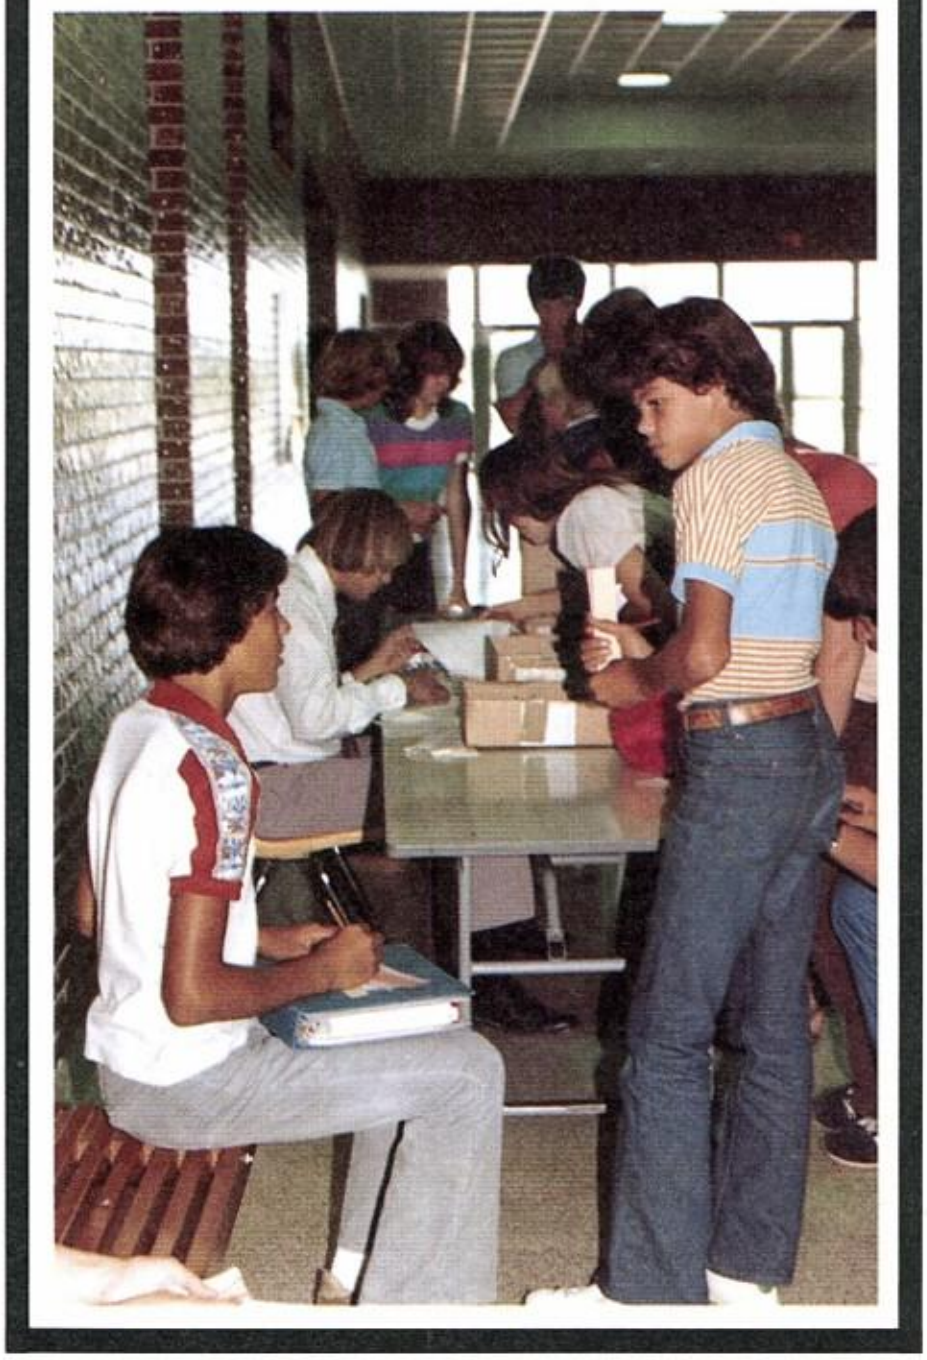
Four years to complete, a lifetime to remember.









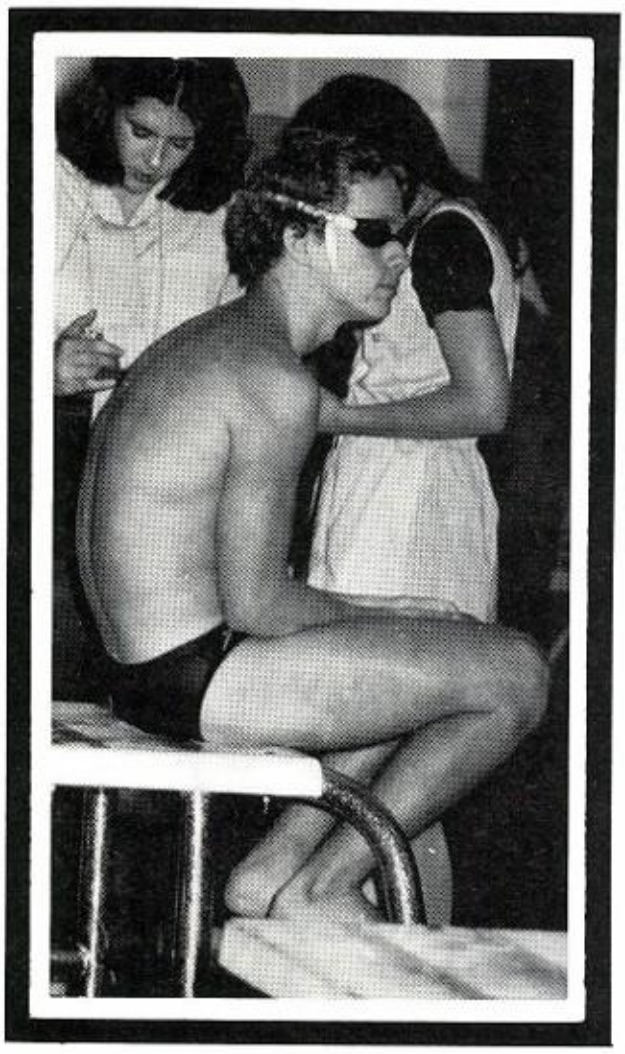


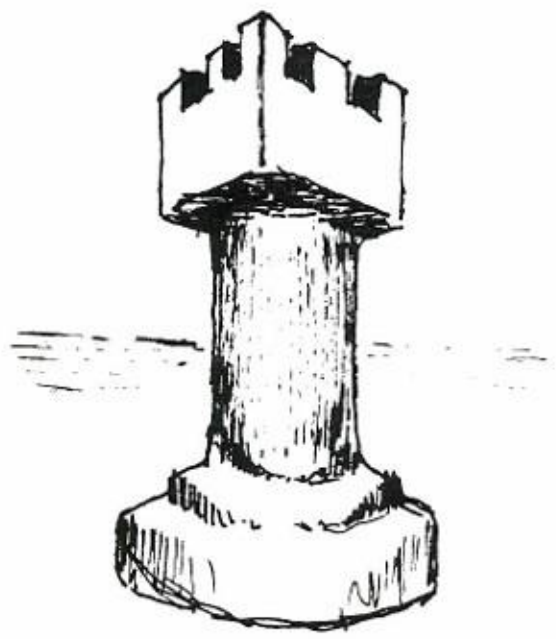
Contents of Game:

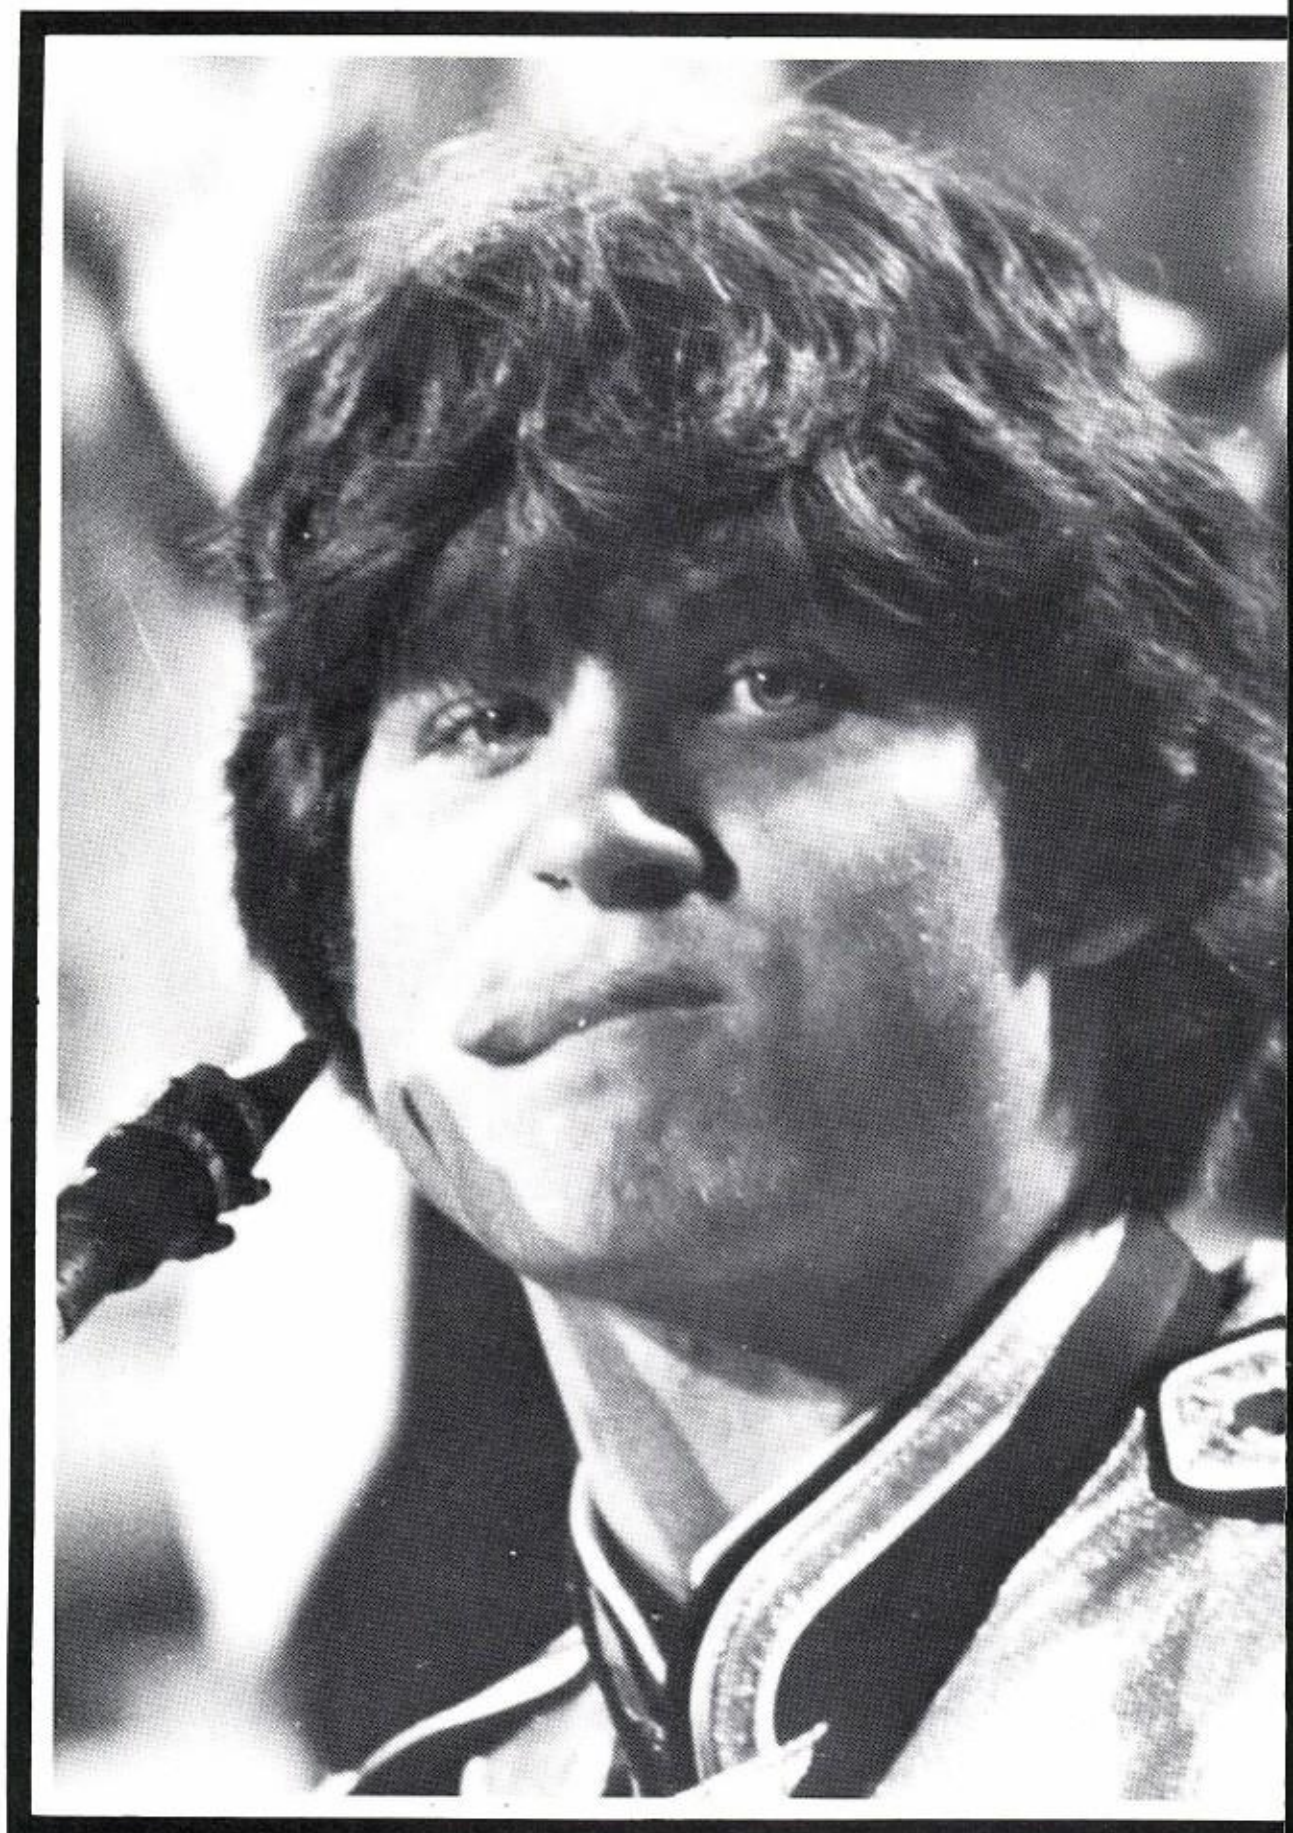
1480	Students
120	Faculty and staff members
80	Classrooms equipped with books
36	Clubs
1	Principal
3	Assistant Principals
1	Sports program

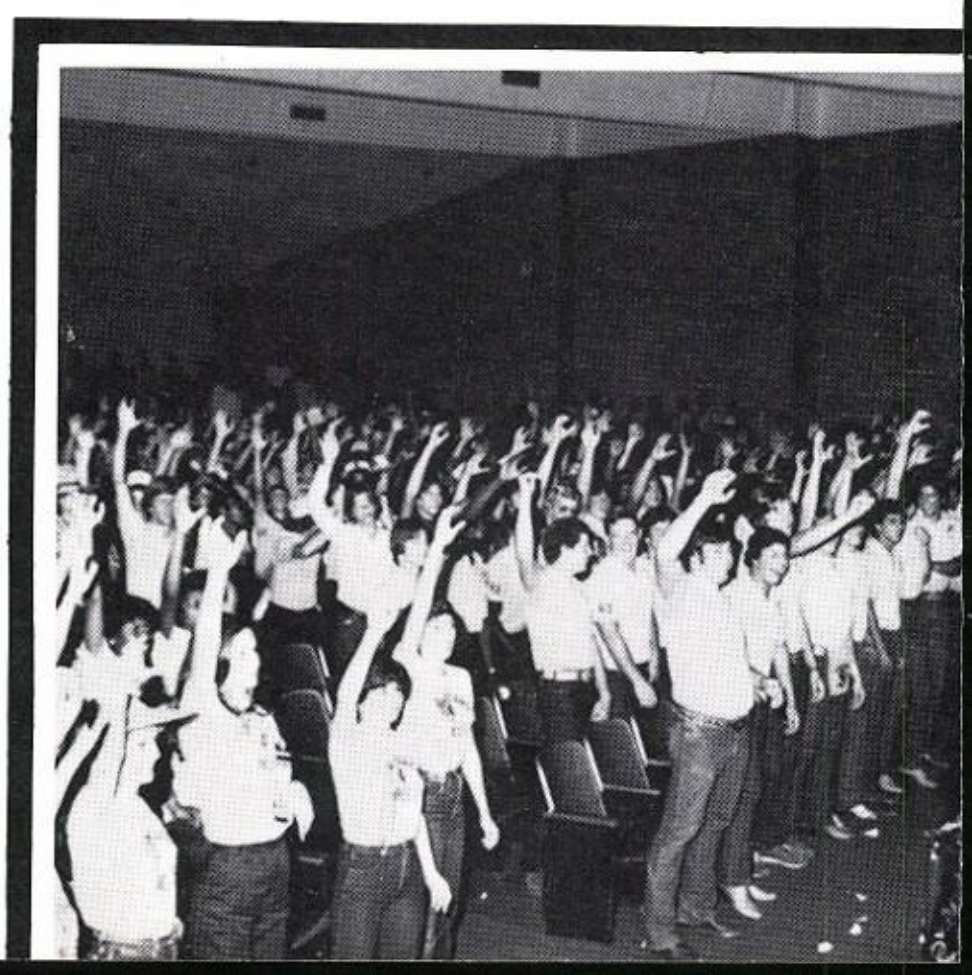
Object of Game:

To receive the 23 credits necessary for graduating from Nimitz High School



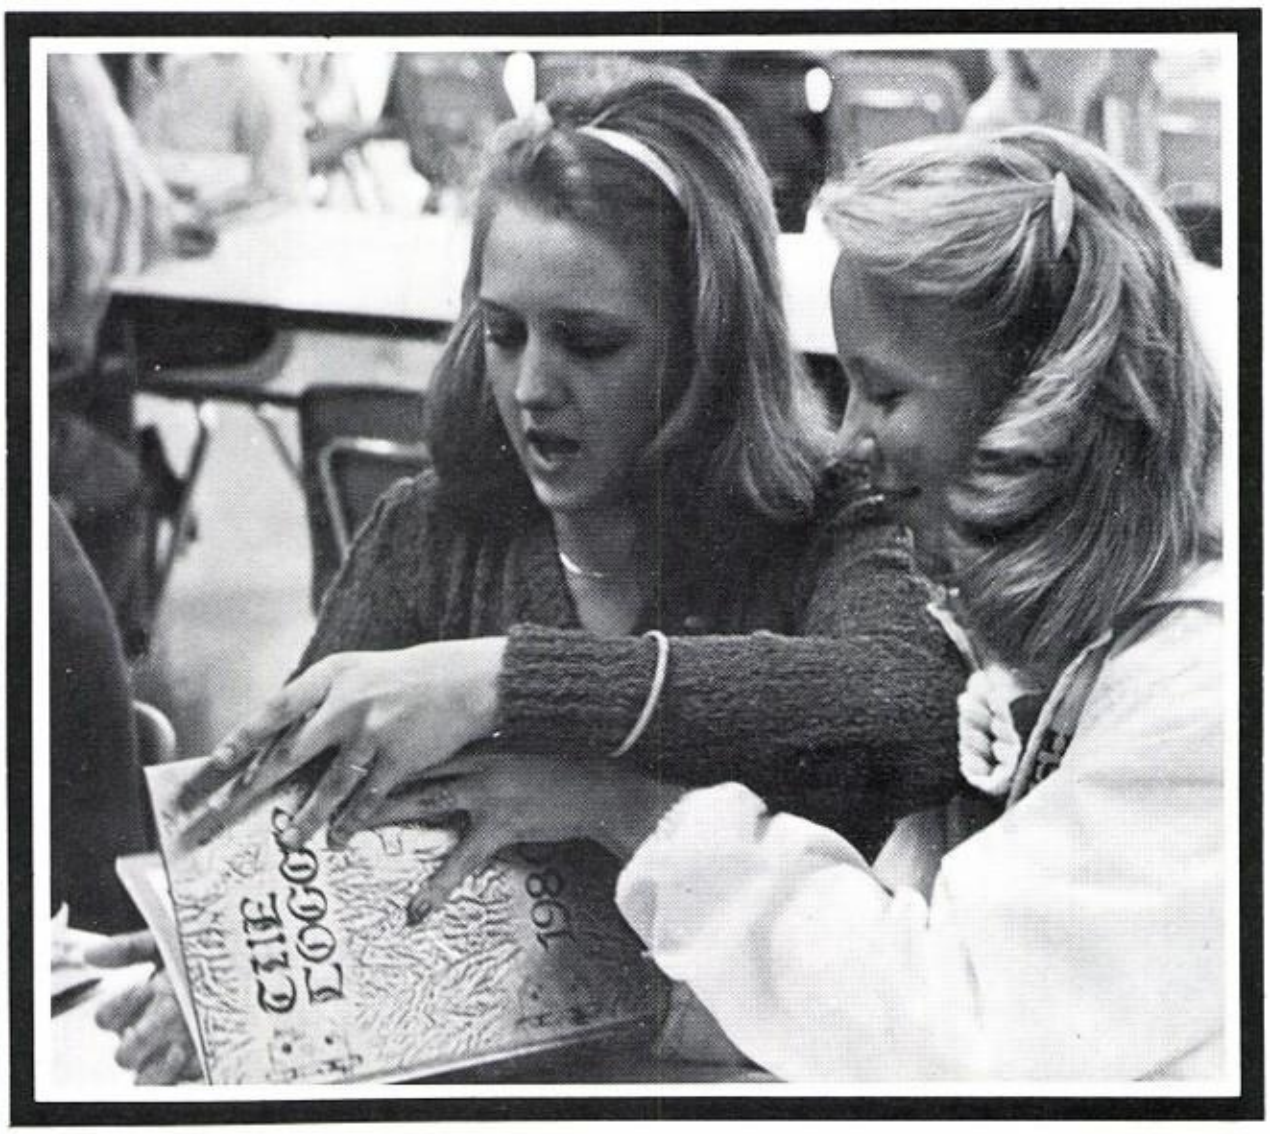






Rules of the Game:

Any person who is a student at Nimitz High School is considered an active player. The game of Nimitz begins for everyone on their first day of ninth grade. All players strive to pass classes in order to receive credits. Each play begins with the arrival to school and ends upon departure (or completion of school activities). To prepare for each turn, one must have all studies completed from the previous day. Failure to do this. may cause the loss of one credit. Once a player reaches his senior year he/she is considered a leader of "The Game of Nimitz" and is followed by Juniors, Sophomores, and then Freshmen. All players who graduate from Nimitz High School are considered winners.

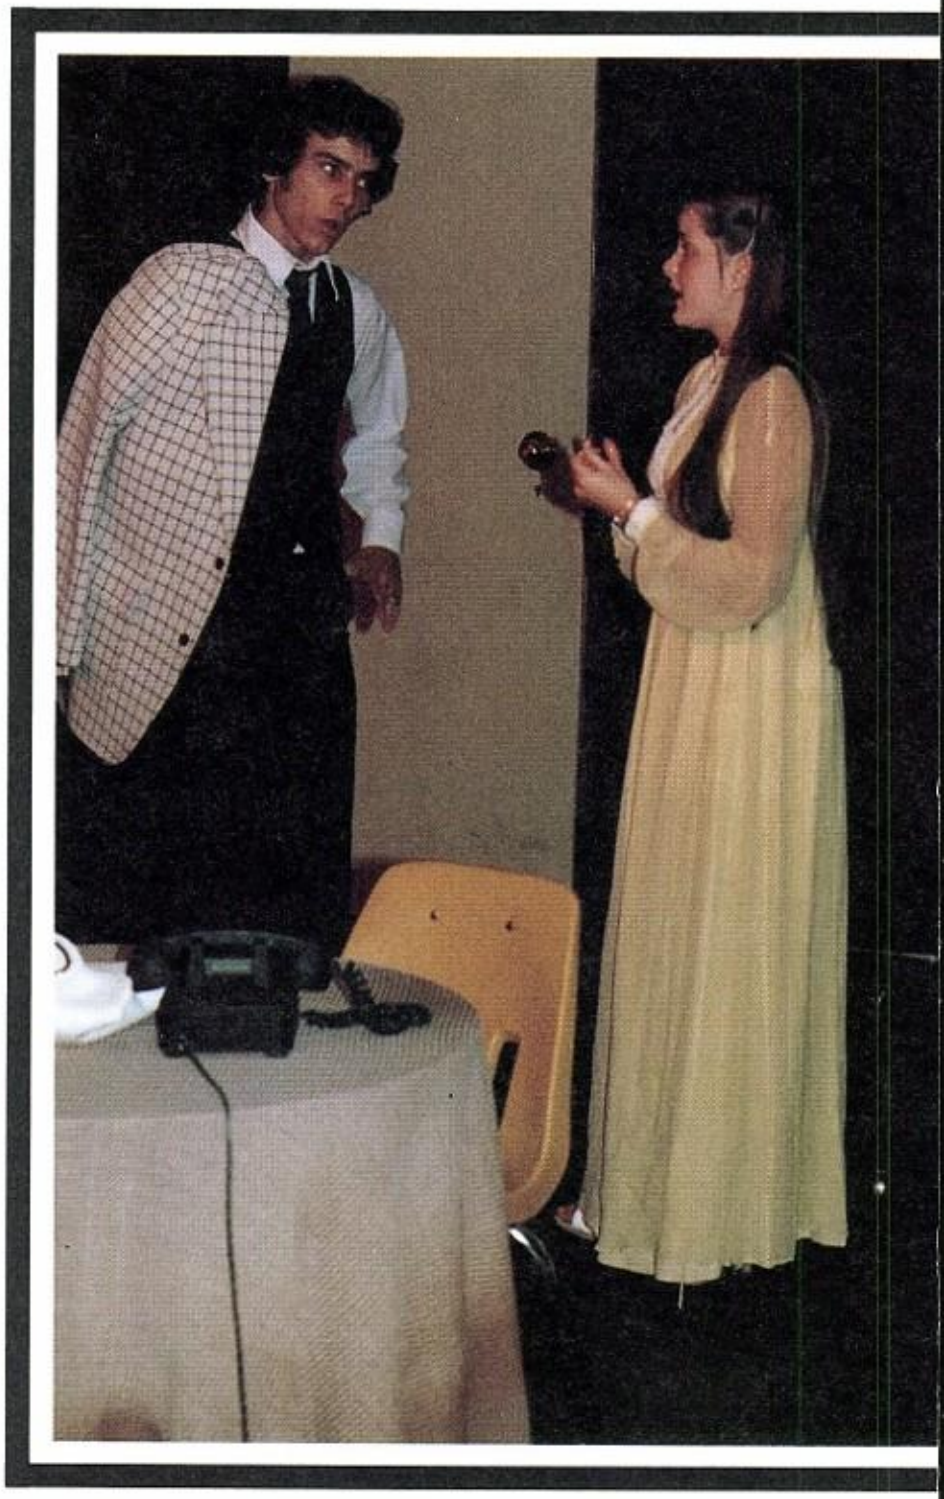


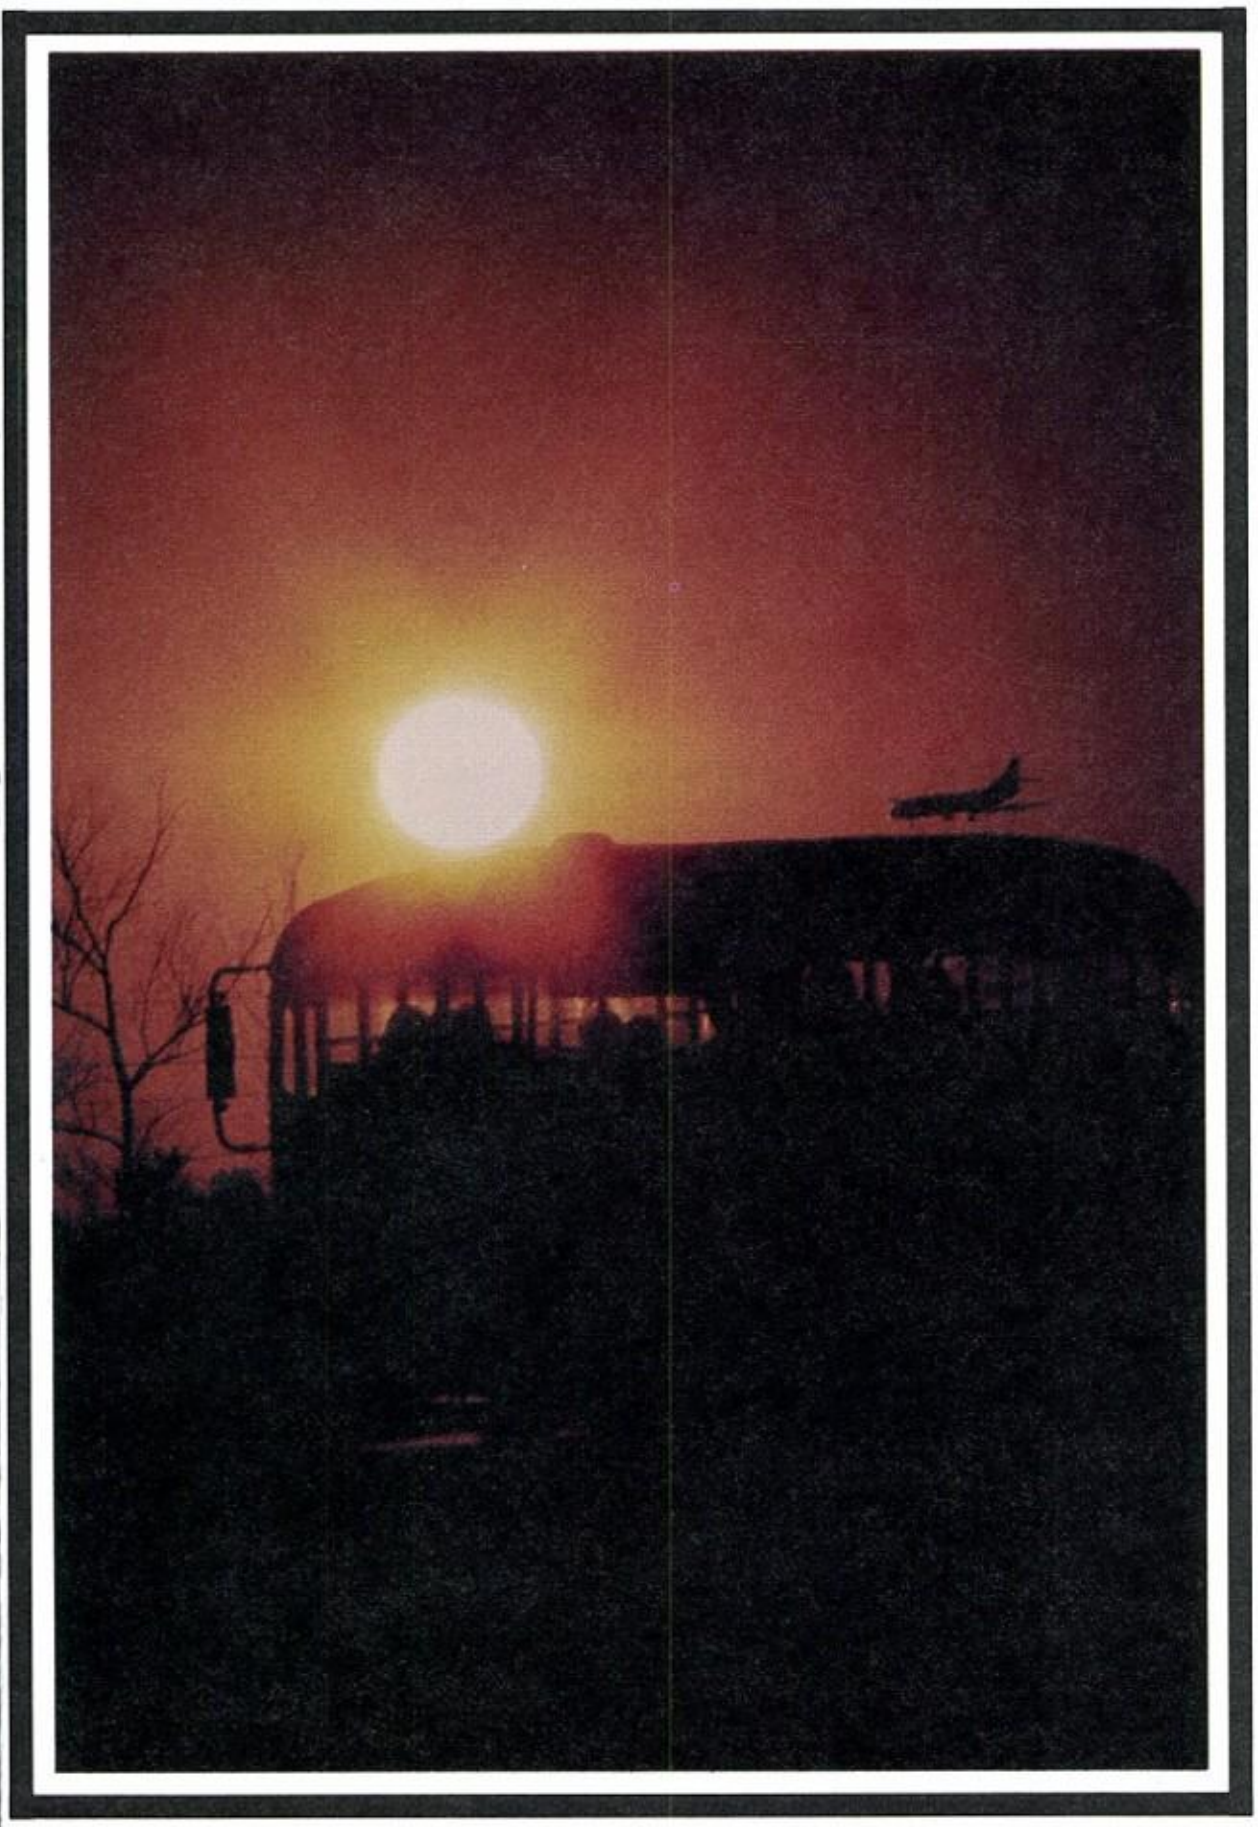
Hints on Good Play:

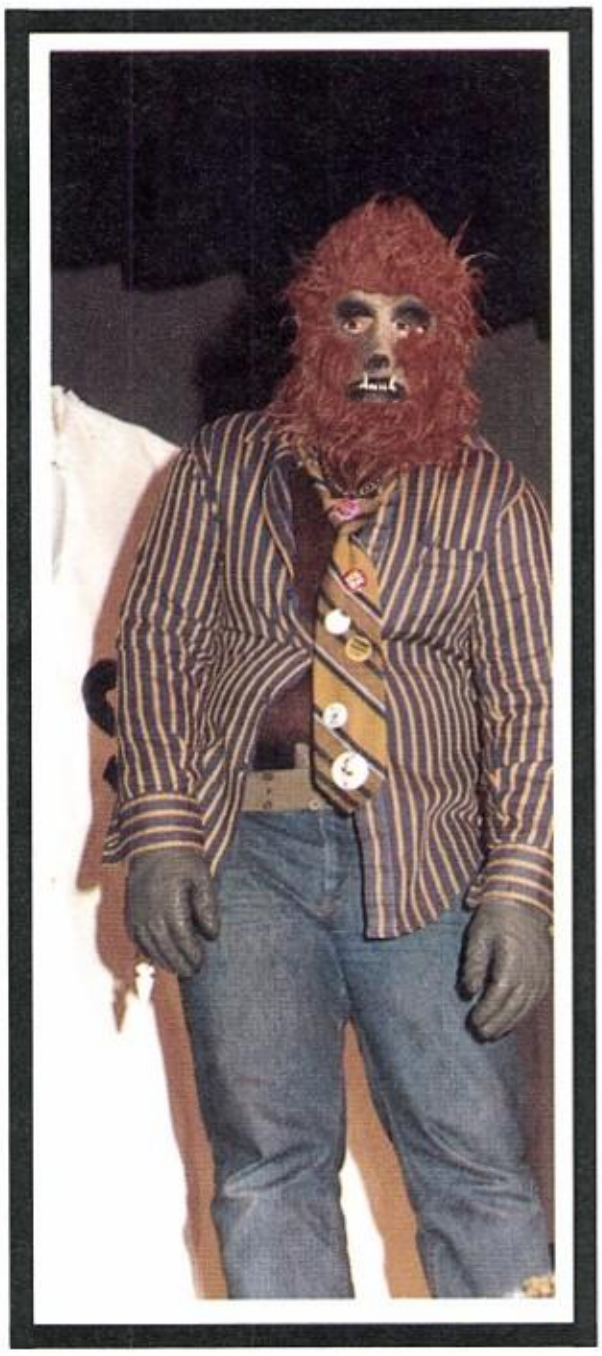
. . . Avoid getting three tardies or creating any disturbance that would result in being sent to the office.

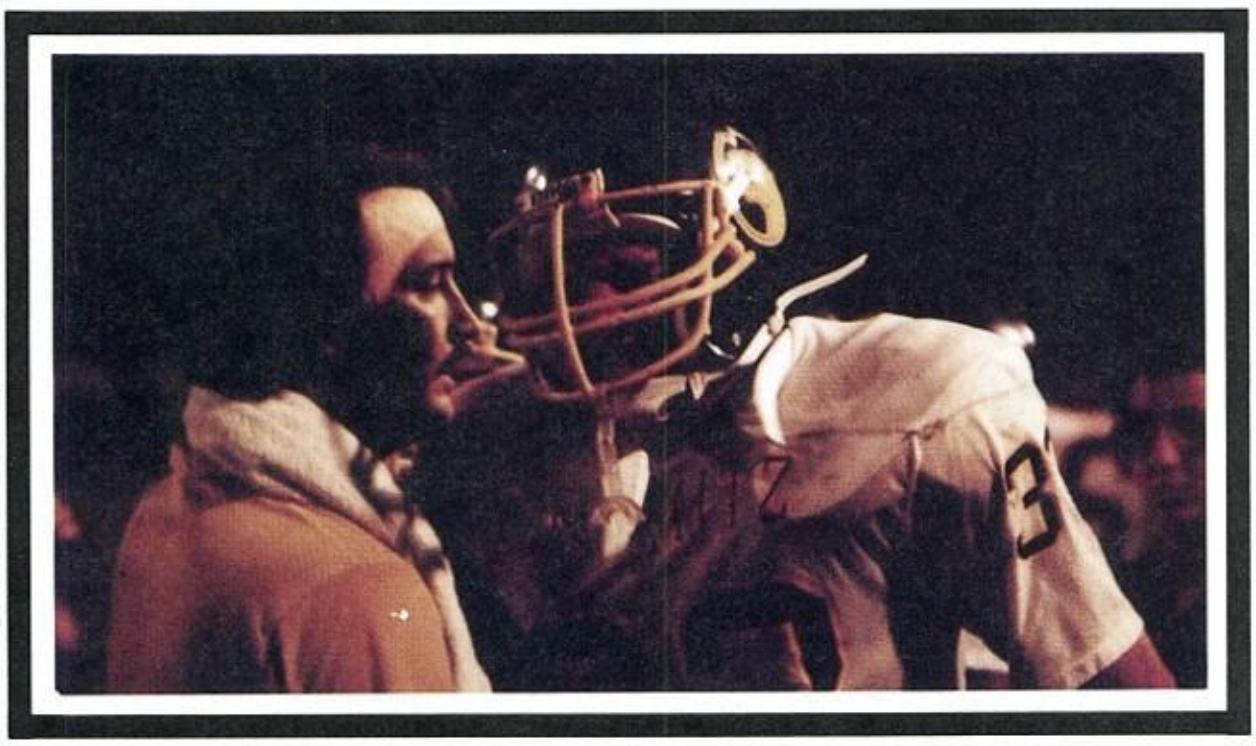
. . . Strive to get the highest mark possible in order to get more credits.

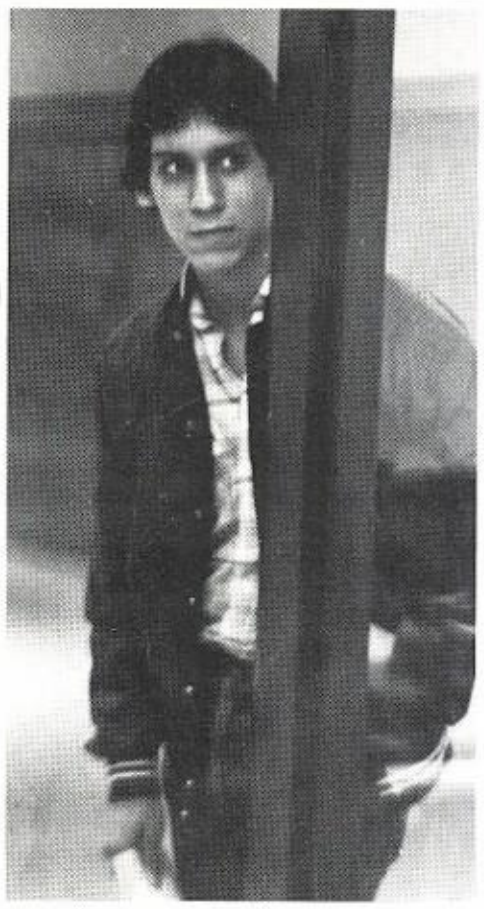
. . . Be present at as many school days possible, for absences count against you during final exemptions.







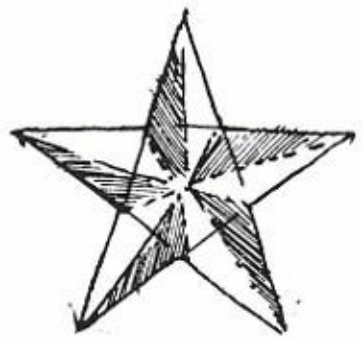




Prepare to view the school year of 1981 by proceeding through the pages of this book.

Go to detention hall for excessive tardies.

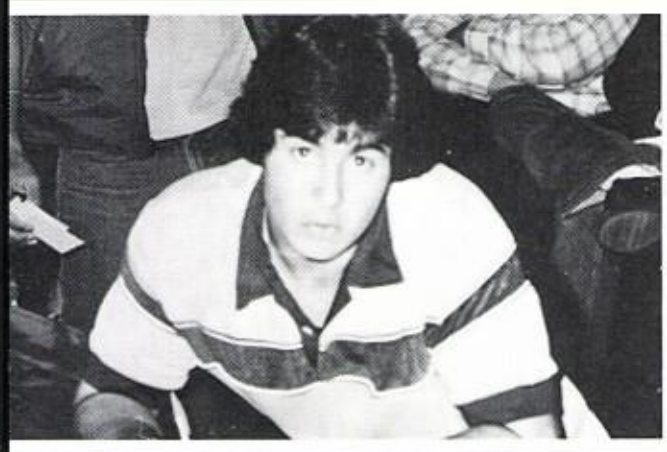
Advance one space and remember the spirit of 1981.



Skip to Academics and visit your favorite friends.

Activities

Move back one space to remember the night of the stars.



Order your yearbook and have memories for a lifetime.

Emergence of Spirit Creates Excitement

Homecoming week is an exciting one. Not only with the anticipation of the game and dance on Friday, but also the spirit displayed by everyone everyday of that week.

It begins on Monday when everyone "sock it to the Mustangs" by wearing crazy socks. Tuesday, we showed our spirit by wearing crazy shoes. Next we proved that we were the "Best Overall" by wearing overalls or suspenders. We "Roped the Mustangs" the following day by dressing as Kikkers. And finally on Friday, we all showed our school spirit by wearing blue and gold.

Each day of Spirit Week, the cheerleaders helped to promote spirit by collecting extra change from students who donated to their favorite or least favorite principal. The principal who had the most money donated to their name had to kiss a pig at the pep rally. Mrs. Parramore had considerably more change donated for her, and on Friday afternoon at the pep rally, she gave the pig its kiss of death.

Preparing to Celebrate Hollywood Nights

Homecoming was a power packed week of activities ignited by anticipation. The strategy of planning the special night was the first move to the best homecoming yet. Halftime activities were dreamed up by students and sponsors of the senior class.

Caroline Joe presented her thought, "Night of the Stars", as a theme at a senior officer meeting held during September, and was accepted. Working during study labs, before and after school, and during pep rallies, senior volunteers created the homecoming dance decorations in a matter of a month.

Candidates for the homecoming court were elected one week prior to the election. A special announcement during the Spring pep rally, one week prior to the game against Aldine, revealed the Freshman, Sophomore, and Junior Princesses. Donna Malott, Rita Carter, and Shelly Anderson were the winners. Connie Babington, Shelia Egland, Mary Ferranti, and Suzie Weakly were announced as Queen nominees.

On the Wednesday before the game the joining of the court participants, band and drill team members, and the senior sponsors met to coordinate an outstanding half time event.

The stars really did shine brighter than ever on Homecoming night. Connie Babington was crowned Homecoming Queen. She provided the rest of the night with a bright smile and laughter.

The outcome of the game had no effect on the pride or the spirit of Nimitz High. Mr. Joe Young, head coach, stated, "The whole week was a good week as far as spirit and excitement went. The Aldine game was a big game for the team and for the school. The loss was a big disappointment, but the team represented the school well."

The feelings of Mr. Clearence Johnson, Assistant Principal, summed up everyone's thoughts, "In my heart we know that we beat Aldine, our boys know that we beat Aldine and Aldine knows that we beat them."

The Spirit of 81

The first pep rally, held in the gym, was a complete failure. The heat overtook the gym and left everyone lifeless and lacking a sense of spirit. The next week the pep rally opened up with a bare stage, no football team or cheerleaders in sight. An announcement was made that no one would enter or go to their designated place until everyone yelled and showed concern for a good pep rally. This would be the beginning of "The Spirit of 81".

Students let their spirit build during the week and released it during pep rallies and at the football games.

Spirit is a verb that shows action and the new "Cougar Paw'r" yell generated a great amount of commotion. Another rouser was the new chant, "Hey, Hey, Hey."

Paula Taylor, a 2nd year cheerleader said, "The spirit this year was better than any other year because the crowd backed the teams of Nimitz through thick and thin, and let their pride for their school show no matter what."

Fall Brings New Ideas And Old Traditions

Excitement fills the air at the start of each school year. Old friends hear about the activities done throughout the sunfilled summer vacation. Students and faculty seem eager to begin another year of studies, homework, and the ever dreaded exams. Clubs organized, dances were held, and other activities began soon after the opening of school. These activities were created for the enjoyment of both students and faculty. As new organizations began, money was needed for the groups to participate in various activities during the year. Therefore, the annual fund raising projects were going on busily during the fall.

Some of fund raisers included the German Club selling crystal jewelry and the Sophomore Class selling the ever popular candies. The Spanish Club popped up with a new idea of selling bags of popcorn, and the Drill Team sold Christmas cards and wrapping paper. Orders were taken by the Junior Class for magazines, in hopes of a great Senior Prom. There were also various bake sales sponsored by various groups.

The football team brought unity of school spirit as they began their season with an exciting 3-0 record. The volleyball team ended their season with 9 wins and only 3 losses. This left them with a second place in district.

As fall came to an end, there were many changes occuring. The weather turned bitterly cold as people bundled up in their warmest clothes. The once flourishing trees took on a barren appearance. Winter fell upon us with new and different activities beginning.

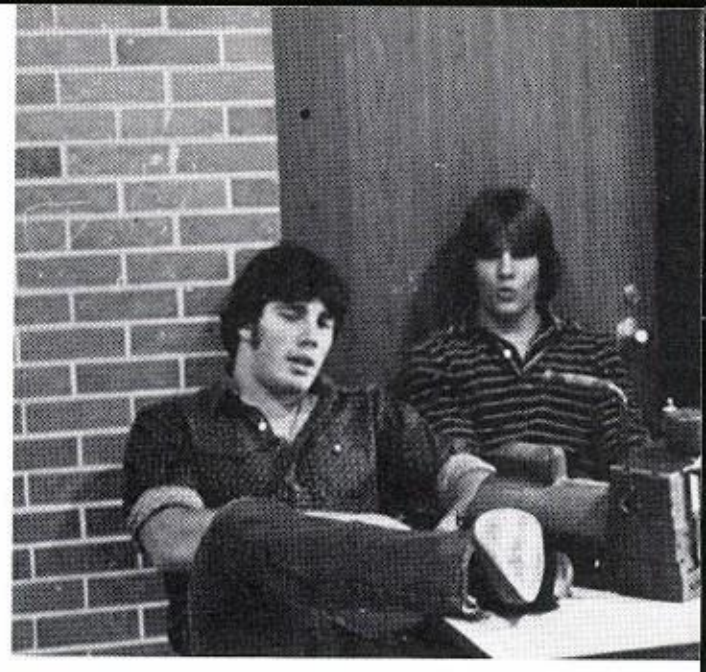
Winter Wonderland



Winter brought out many new fur coats and plenty of new cowboy boots came into sight with the coming of winter. Activities changed from outdoor to indoor, clothes changed from cotton to wool and students changed from alive and festive to tired and sleepy. It was cold outside so everyone stayed inside and Nimitz became a "Winter Wonderland."

During December, Christmas spirit overwhelmed the school. Christmas trees were changed to include wreaths and Santa Clauses. Thanks to Cosmetology, Santa Claus and "her" helpers spread joy throughout the halls. Choir contributed to the airy feeling of the holidays by singing Christmas carols during lunches. They also performed the Messiah with other schools in our district at Aldine Senior High School. Magril Elementary students performed their annual Christmas show in the auditorium to further fill the halls of Nimitz with the Christmas spirit.

After the holidays, fund raising activities began. Several of the money making projects included selling mugs, popcorn, and candy, as well as showing movies and giving dances during club day. Money made from these projects would go to the annual banquets tnd future activities of the clubs.

A major event that plagued the national scene during 1981 was the hostage situation in Iran. The 52 hostages and their families received a belated Christmas present on January 20. After 14 months of captivity they were released from the Iranian captors. Their arrival in Washington was a time of rejoicing throughout the nation and will never be forgotten.

February was the time for love and senior excitement to overcome the student body. I.C.T. sold carnations and the honor Society sold candy, gag-gifts and stuffed animals. All of the Valentine goodies were distributed to sweethearts and friends before the sixth period dance that was held in the gym.

Spring Brings Rings and 'Things'

As the cold chill of winter slowly faded and the sun warmed the air, Nimitz students enjoyed new activities which spring had in store. Banquets for various clubs and organizations highlighted the spring. The sports banquet took on a different look as it was held at H and H Ranch on April 28.

The Juniors began to be excited about their coming year as a senior as they received their long awaited rings. They followed tradition by having friends turn their rings around their fingers.

The Band and Drill Team participated in several competitions during spring. The band went to contest in Dallas. They were proud to receive excellent and superior ratings in all events. The Drill Team went to competition at ETSU in March and returned with the top honors of all 5A schools.

The sports lineup changed from basketball to baseball and track. Spring training began in May to prepare for football in the coming fall and the traditional Blue and Gold game which was held on May 23. Newly elected cheerleaders and mascots got their first taste of their new position as they, too, practiced for the coming year at this game.

The Student Council sponsored the Talent Show as students displayed abilities to dance and harmonize. Sadie Hawkins Day was held in March and the zany games were sponsored by the Art department.

Nimitz Seniors prepared for commencement by sending graduation invitations to friends and relatives. The Prom was held on May 2. The Senior Breakfast and Cap and Gown Day added excitement to their last days of school. Lastly, they sighed with relief as they received their diplomas on May 30.

As spring came to an end, so did another school year. Summer vacation was a time for rest for the underclassmen. For seniors, it was a time to prepare for a new and different way of life in the future.

Coronation, an annual event, took place at Nimitz on Friday, May 15th. The Coronation is designed to honor those students that were elected to represent their class in the categories of Most Popular, Best-All-Around, Most Handsome and Cutest Couple. Special categories for the senior class were Most Friendly, Best Dressed, Most Bashful, Most Likely to Succeed, and Most Studious. The title of Mr. and Miss Nimitz is also limited to Seniors.

The theme of the 1981 Coronation was a Garden Party. The idea was good, but demanded a lot of work during and after school. A gazebo was built with the help of Mr. Collier and his woodshop classes, decks were built and furniture was borrowed from Pier 1. By Thursday the set was complete except for one thing . . . plants. Some were borrowed from Cactus Corner and others from yearbook members' homes. Some flowers were planted a month before by yearbook members.

An afternoon performance was held during 6th period for students and teachers. At this time minor categories for the senior class were announced. The night performance began at 7:30 that night. Major categories for all classes were announced at that time.

Look Out Hollywood

The third annual Talent Show was held on April 27, 1981. The talent show is designed to raise money for the Student Council, and to entertain the student body. Sponsoring the Talent Show enabled students not in Student Council to help raise money for their club and present special talents. The participants auditioned for Mrs. Wolff, sponsor of the Student Council. The selected students practiced from 3:15 until 5:00 after school for three days before their performance. Their practice was interrupted by a power failure but the contestants overlooked the blackout and made up the practice the following afternoon.

On the day of the show, ballots were passed out at random to members of the student body. They were to be turned into Mrs. Wolff before 3:00 that afternoon to determine the winner of the talent show. The winners were the Cypress Creek Boys who performed *I'm a Broken Lady*, and *Seven Bridges Road*.

The 1981 State Qualifying Choir of Nimitz High School consists of Treble, A Cappella, Madrigal, and Pop Choirs. Five students, becoming a part of the All-Region Choir, started the '81 season off great. Laura Davidson, Pam Titlow, Dreida Hundertmark, Angie Smoke, and Cassey Essery were the outstanding girls in this competition.

Next, the choir prepared for the combined concert with the Houston Symphony North. All Aldine District choir students were a part of this production, singing Handel's Messiah.

In February, the choir entered a solo and ensemble competition with 44 people; 33 of them received medals.

The girls choir won the only 1st division rating ever received by the Nimitz choir. A 2nd division was received by the A Cappella choir at the U.I.L. contest. Girls and A Cappella choir received the same results at the Galveston competition. At the Galveston contest 33 people entered the solo and ensemble contest and 22 of them received awards.

A spaghetti super was held in February to help cover the choir expenses throughout the year.

Cheerleaders, Mascots, Cougar Guards

Active Participants in Spirit

The cheerleaders' busy year started at Sam Houston State University's summer camp for a week of training and conditioning. Hampered by a record-breaking heat wave, each of the girls helped the others to maintain their spirit even though the hot days were long and tiring. Determination helped the girls strive hard to receive three 1st place ribbons and a spirit stick during the week.

Keeping the shcool spirit going during football season was a goal each of the girls hoped to reach. The pep rallies were made a big success as the cheerleaders performed skits, and select members of the drill team danced to music played by the band.

Chester took on a new look this year by donning a different costume. With his new masculine look, Chester became more active rounding up spirit and dancing to music provided by the band. Three people portrayed Chester this year because of the heat inside the costume. These roles were played by Jenny Hellwig, Senior; Christina Barnes, Junior; and Rita Carter, Sophomore.

The Cougar Guards, a new addition to the cheering squad, helped the cheerleaders all year long with equipment. Clay Sands, Glen Johnson, Gilbert Melott, and Kelly McLean were the four persons liable with this important job.

Taking on Competition With Precise Moves

The 1980--81 Band of Nimitz High School Director

The 1980-81 season for the Cougar Band held many activities and led to an extremely busy year. Participation in the Blinn Marching Contest sparked the band off to a roaring success and prepared the band for the All-Region Orchestra contest. The Nimitz band also entered the U.I.L. Marching Contest early in the year. District tryouts and the U.I.L. Twirling Contest were both held at Nimitz High School. Tina Schwind placed 1st in this competition.

The Christmas Concert kept the band busy with many practices. After Christmas, the band entered the All-Region Band and All-Area Band Contest. The Nimitz Band participated in the U.I.L. Solo and Ensemble Contest and the U.I.L. Concert and Sightreading Contest.

To end the year the band traveled to Dallas for a Six Flags Over Texas Band Festival and staged a Spring Concert in May.

Debate

Qualifying Arguments Sail to State

The debate team has had an extremely good season in '81, with three students reaching the Texas Forensic Association State Meet. Clay Sands qualified in oratory and cross-examination debate, along with Cindy Angelcyk in oratory.

Throughout the year the team placed very well at each debate. Cindy Angelcyk was named outstanding debater at the Humble tournament, Stoney Conner placed 2nd in extemp. speaking at La Porte, and Clay Sands also won 1st place in oratory at the Westchester tournament.

Thanks to the help of their sponsor, Mr. Gary Boeger, and to the devoted students, '81 will be a good one to remember.

Drama

Bright Lights, Shining Stars

The familiar "Lights, Cameras, Action" continued throughout the year as the Nimitz Drama Department changed hands when Dixie Russell took over the department for Sylvia Ford.

Tracy Peppard, Adam Coppolo, Tim Ebert, and Jonnie Thomas started off the year really great with the production of "Plaza Suite." The performance was conducted throughout the day as the students were allowed to see it during their English classes. Later in the year, student directed plays were performed during study halls. Three of the one act plays were produced by the beginning drama class and two by the advanced students.

The following students also participated in U.I.L. competition; Tracy Peppard, Kellie Pate, Gilbert Melott, Cecilia Bates, Kyle Ingrum, Donna Jackson, and Lynn Tarhalla.

Deca 'Sales' to the Top in Marketing, Distributing

Deca is the vocational club for embers of the Marketing and stributing Education class. Deca embers have been very active in cial, leadership and community ivities in social part of the school ar.

The first activity in which they rticipated was a leadership con- ence for all of the officers at Mc- llough High, during October ere they learned how to conduct eir club activities. Also during October, they helped with the Lane Center carnival which helped celebrate Halloween for the children there.

During December they held a party at Cheryl Gilbert's house.

The month of January and February ushered in fund raisers when the club sold candy to raise money for their employee-employer banquet and to send contestants to area contests.

The Area III Deca Contest was held in March with Mark Batton, and David Newton participating. All of the students won competency awards in their contests and Wes Hardin and David Newton qualified to go to state contest.

State contest Wes Hardin won a competency award in Salesmanship. The Nimitz employee-employer banquet was held in April at the Marriott Hotel. All Deca members said they had a real enjoyable time.

Drill Team Sweeps Highest Honors

In three short years the Starboard Angels Drill Team has achieved the highest honors in the Aldine District. Under the direction of Miss Debbie Turner, a first year instructor, Mary Lynn Ferranti, Admiral; Connie Babington, Vice Admiral; Bobbie Jo Vaughn, Linda Grimes, Kelly Morris, and Lea Quinn, Company Captains, the girls reached many goals they had hoped.

Summer camp was held at South West Texas where the girls tied for 1st place in the 5-A division. The Starboard Angels performed at football games, basketball games, and attended many other functions throughout the year. During '81 the Drill Team went to Friendswood competition and received 1st place in jazz and high kick. Toward the end of the year the girls were a part of the Blue and Gold competition in Commerce, Texas. The Drill Team received the Presidents Award, Sweepstakes, and Best in 5-A class which qualified the Angels for State competition. The officers also received a 3rd place award in jazz competition.

The Drill Team had three fundraisers consisting of Christmas card sales, working at Astroworld, and taking inventory at Foley's. This money was used for competition and the Christmas and Hawaiian parties given during the year. The girls also had a banquet at the end of the year awarding Tracey Poole as Angel of the year. O.E.A. — Becoming Secretaries

The goal of the Office Education Association is to develop vocational competence in office occupations.

The Officers of the OEA were: Melanne McKinney, President; Rene Fenton and Patricia Gorjon, Vice President; Sharon Dowell, Vice President in service; Cynthia Benita, Secretary; Julie French, Treasurer; and Jeannette Garza, Reporter.

The Students in OEA have participated in a variety of social and service activities this year. Some of these activities include the buffet dinner for students and parents at which time officers were installed and new members were initiated, the Halloween carnival at Lane Center, and the May school-wide vocational social. Several students attended the Area V OEA Regional Contest at Alvin Community College. Marty Walker placed 5th in Accounting and Related I at the contest.

The outstanding students in OEA were Sharon Dowel and Rene Fenton. Mrs. Deanna Thorton is the OEA Coordinator.

Spanishly Speaking Qué Pasa

Christmas started off the activities for the Spanish Club in '81.

Spanish students, along with the other foreign language students went to Magrill Elementary, and sang Christmas carols in their language. Also, in cooperation with other foreign language clubs, they had an International Food Night, where the students brought Spanish food and sang for their parents.

For their fund raiser, the Spanish Club supplied the Nimitz students with buttered popcorn. It was a huge success.

The officers for the '81 year were, Bonnie Babington, President; Jennifer Rucker, Vice-President; Jenny Hellwig, Secretary; Alfredo Boyati, Treasurer; and Lupe Diaz and Annette Hernandez, Historians.

Calliope
Publishing Nimitz's Creative Ideas

The Calliope is a yearly addition of literary works contributed by Nimitz students, put together for the enjoyment of everyone. The staff, Sandra Borgardt, Tana Campbell, Caroline Joe, Marie Mejia, Deena Miller, Dodie Moschinger, April Pinchot, Loretta Ruscher, and Paula Taylor have worked extremely hard for the publication of the magazine.

Miss Rhonda Swift, sponsor of Calliope, said, "I don't think the students understand that the Calliope is contributed by Nimitz students. Our main goal this year was to reach the student body and sell more of our magazine."

The Calliope staff does not have any officers, but each person puts in a lot of time and effort. All art work was done by Paul Neidinger. The main fundraiser, a movie, was held in December.

Students Focus on Government Affairs

Would you be interested in visiting the nation's capital, seeing the president, sitting in sessions of con-ess, and having fun learning about the U.S. government? Well, ten students and sponsor, Mrs. Judy melley, had this opportunity to fly to Washington D.C. and study our political system.

At 6:00 each morning, they were awakened to get ready to attend seminars on different issues, visit onuments and historical sites, and meet state representatives like Jack Fields from Texas. In each hotel om, two Nimitz students shared a room with two other students from other states in the nation. Meeting ew people outside of Texas was an interesting learning experience for the Nimitz group. One of the ghlights of the week was the inauguration of President Ronald Reagan and the inaugural ball.

In all, the students and Mrs. Smelley enjoyed a week of learning and having fun in the world of politics.

Cougar Pride, Strong to the Very End

The 1980 season was a much improved year for the Cougars. They started the season with three straight wins over Elsik, Sam Houston, and Jersey Village before dropping the district opener to MacArthur. Except for the win over Spring, Nimitz found the rest of the season tough going.

This season the Nimitz Cougars moved up to a district 21-5A standing. Joining Nimitz are Aldine, MacArthur, Eisenhower, Humble, Forest Brook, Smiley, and Kingwood.

Nimitz finished their season with a 4 and 6 record. Offense Coordinator, Coach Lew Bradshaw, felt that the 14-7 victory over Spring was the best game of the season. He commented that the offense and defense both played an extremely well balanced football game.

The Cougars played very hard on Homecoming Night, but came up short in a heartbreaking loss to Aldine 13-7.

The mighty Cougar defense was the No. 1 defense in the district allowing only 198 yards total offense per game for the opposing teams.

Several Nimitz Cougars wer awarded for outstanding pla this season. Joe Wright, Moze Darthardt, Mark Petkovich Mike Walker, Don Brinson Harry Smith, Cedric Reynolds Albert Myers, Scott Seiffer Bob Smith, Mike Livergood Steve Winship, Lundi Schneider, and Victor Barlow.

While the team goal of winn ing the district championshi was not reached, the season wa improved, and respectful, an the Cougars are looking toward it's goal of 1981.

Progress Key to Next Season

With a small number of ballplayers turning out for the freshman teams, the coaches had to platoon most of the players between the two teams. Trying to keep the teams equally balanced in number and ability, the gold squad wound up 1-8-1 for the season, with the blue eleven posting a winning 4-3 record.

"The team learned and played much better as the season progressed. They are still young, but next year they'll be more mature and much improved." said Coach Bill Alexander.

Swimmers Submerge to Second

The Nimitz Swim Team dipped as the reigning rulers of the water. Both boys and girls teams firmly grasped 2nd place in district, relinquishing their top spot from the previous two years. In both boys and girls events the divers swept the number one position.

Mrs. Anne Hazzan acknowledges the success with complete devotion and hard work. "The team had to be up at school at 6:00 and left school around 4:30. Depending on the workouts they swam between 5000 and 9000 yards per day."

In all, 16 people placed in district eventually going to regionals. Wayne Kuske and Kevin Laughbaum were the only two to qualify for the state meet at Austin.

Kuske, Donna Jackson and Marion Marrs racked up the awards for Most Valuable Swimmers. The Most Consistent Swimmers for boys were Kuske, Laughbaum and Grant Shallenberger and Marrs for the girls. Selected as the Most Improved Boy Swimmer was Frank Marrs and Jackson as the girls.

With only a minimal number of graduating seniors, next year's aquatics should make an equally "Big Splash."

Best Team, Best Season

Under the coaching of Miss Sharon McCain, the girl's varsity volleyball team was 9-3. Beating Aldine both times met, and splitting the season with MacArthur helped their season. Coach McCain stated, "My team is the best team, and nothing can change that."

Four girls from the varsity team made district. They were Linda Urbanek and Theresa Crowson, seniors; Cassie Essary, junior; and Sandra Tillis, sophomore.

The practices were full of running, serving, and agility drills.

"Though there were no outstanding players, everybody played exceptional as individuals, and as a team." replied Coach McCain.

The teams record was an improvement over last years 6-10 season or the 1979 season, 3-13. There were no weaknesses on the team, but the strong points were the superb team work and the devotion of the girls. Experience was a major factor in the season, and will be a strong factor next year.

Leaning Toward Perfection

The J.V. squad had a lean year, ending it's season with a climatic 4-6 record. Miss Irene Hopkins, coach, said, "There were no outstanding players, because everybody was having a motivation problem."

One highlight of the J.V. season was when the team split games with the Eisenhower Eagles, then an undefeated team. Miss Hopkins explained, "The reason we split the games was because we gave them a rough time. The girls also played exceptionally well against MacArthur and Aldine because they knew the other teams real well."

Practice for the season started August 18 and ended October 15. It consisted of drills, like bumping, spiking, and agility drills.

Miss Hopkins had one last compliment for her team, "I like my kids, I have a great deal of respect for them."

Thinking Like a Whole

For the freshman volleyball team, the summer workouts exemplified the work that laid ahead of them. During 4th period and after school the girls worked together to make the adjustments needed to play as one unit.

Under the coaching of Lavelle Hughes the girls perfected the basic skills of volleyball. They lifted weights, had jumping, rolling, and lifting drills, ran many exhausting laps and were often humiliated by the varsity team.

Cindy Holder said, "Despite the let downs, the freshmen have matured and hope to offer a good J.V."

"Humble was the hardest and most intense game." Coach Hughes replied. "They gave it their all with each game going into overtime. Everyone was thinking as a whole — like a team should."

Height Plagues Season

The 80-81 Cougar Basketball team suffered through a disheartening 4-24 season primarily due to "a tougher district as well as the lack of height" according to Coach Herbert Jones. "Our boys gave 100% effort but could not overcome the lack of height in district competition." Gaining the lone place for Nimitz on the All-District team was Will Wheeler. Stanford Neal made honorable mention. He also was voted M.V.P. by his teammates. James Darby was voted most improved. Leading scorers for the Cougars were Albert Myers, Clarence Glenn, and Will Wheeler while Myers and Wheeler led in rebounding. Coach Jones, looking forward to next year, said, "There are a couple of freshmen that should help contribute to the team along with the members up from the J.V. team."

Team Effort Leads to Good Season

The J.V. Boys Basketball team had a good season ending with a 12-15 record. Coach Richard Perkins was pleased with his team's season. He felt that the boys gave good team effort and hustled every game. The team did their stature, but made up for it in their shooting and team work.

The games the J.V. team lost were by few points, and they played hard until the final second. It is sure that a strong Varsity will come from this team, so Nimitz can look for a winning team from these boys.

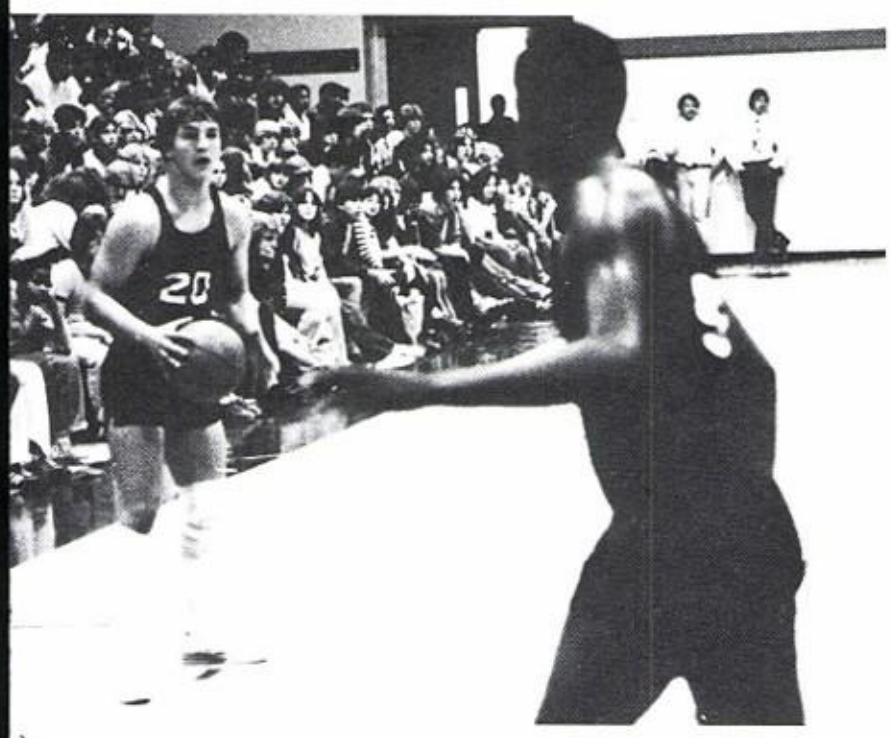
Coaches No 'Jimmy the Greek' Sophomores Win 8



a)

At the beginning of the basketball season, Coach Keith Brinson was given the news, "Your team won't win a game." This was the diagnosis of Coach Brinson's fellow coaches.

The season started; two games a week for the next ten and a half weeks, plus trounaments is what the endurant group of young men had to face. "Smiley," Coach Brinson said, "had all the talent, all the good players, everything, they were number one. We were always well matched with Eisenhower, though, no talent, but a lot of hustle."

The Sophomores finished in 5th place in front of Humble and Kingwood. "We learned one important thing this year and that was the importance of team support."

Then, the season ended, but with a different complexion from it's pre-season prediction — they boys had won 8 games; losing only 13.

'A Will To Win'

When practice began late in November the Freshman boys were eager to start the season. The season started with an eight game winning streak which was snapped off by the Hard Smiley Eagles team.

"During practice," Coach Darrel Phipps said, "we worked on fundamental skills, conditioning, and stressing the point of a will to win."

Tom Grant, Bobby Hammond, Andy Elmore, and Alvin Glenn were the outstanding players all season. "Our record was 19-4. I believe our record could have been 20-3. I'm not saying we didn't do good. We were great. The potential is there in the freshman kids for the future teams of Nimitz to be exceptional. If they could keep the same attitude towards work and have no bad habits, they could be district champs some year," said Coach Phipps.

Gradual Improvement Reason for Victorious Season

Improving throughout the year, the Girls Varsity Basketball team of 80-81 wound up with a winning 13-10 record. Boasting about his team, Coach Frank Chickowski said, "The girls did as well as I expected, if not better."

Sandra Tillis paved the way for the team. The sophomore was named to the 1st string All-District, the leading scorer, the most consistent, and the M.V.P. on the squad, according to Coach Chickowski.

Voted to the 2nd string All-District was Linda Urbanek. Dorothy Glenn was selected as Honorable Mention. The most improved player on the team was Gail Collins. The main weak point on the team was the rebounding, but was countered by the high shooting percentage.

Coach Chickowski, in his second year, has noticed a gradual improvement each year and hopes for more next year. "This year we're losing six seniors, but the returning players, along with the J.V. players should produce another winning season.

Attitude Leads to Success

The J.V. Basketball team ended this year's season with a 6-8 record. Coach Lavelle Hughes feels that several good varsity choices should come from this squad. Coach Hughes believes the team's strong points were a never give-up attitude and speed. She also feels that the girls had a successful season. Many of the games were lost in the last minutes of the game. The two main problems were lack of team effort and fouls.

With a little more practice the girls should smooth out these rough edges, and start working towards a winning season next year.

Practice Makes Perfect

Skill combined with talent created one big force that led the Freshman girls' basketball team to its 14-8 season, according to Miss Sharon McCain, coach. Running, shooting, pivoting and various other drills helped develop the team before the season. "Practice makes perfect. That's what made my team. Practice and willingness to learn," Coach McCain said.

Their longest winning streak was six games with victories over MacArthur, Dee Park, North Shore, Willow Ridge, Klein Forest, and Alief. Their best game of the season was a 57-20 thrashing of Alief. The girls also placed in the tournaments they competed.

Serving Toward Success

The successful season for the Cougar netters was the result of practice; two hours each day for conditioning, drills, and practice matches.

To the coach, Ms. Renda Koppitz, and team members, the Nimitz Tournament was the most remembered. Here many of the players made it to the semi-finals and advanced on to the finals. Other notable tourneys included Aldine, Eisenhower, and MacArthur.

Outstanding players of the year were Jack Bartuska and Anne Alsina. However, the entire team improved throughout the season.

Coach Koppitz believes that the team is "a lot stronger, a lot more mature, and will be one of the top three in district next year."

Runners Stride in Style

Placing respectfully high in district, the few but mighty cross-country members had every reason to be proud. The girls team placed 2nd in district and the boys placed 4th, with eight people eligible for region.

The qualifiers, all girls, were Tanya DeBardelaben, senior; Jan and Joan Dagenhardt, seniors; Jennifer Hellwig, senior; Annette Hernandez, junior; Leah Lucas, sophomore; Jennifer Rucker, junior; and Debbie Stevens, junior.

With practices consisting of many grueling miles, day in and day out, the workouts were striving for consistency and improvement. According to Coach Pete Stewart, the most consistent runners were Tanya DeBardelaben, Joan Dagenhardt, and Jennifer Rucker. Jennifer Hellwig and Raleigh Rodriguez were the most improved runners.

Although this year was only the 2nd for the cross-country competition, the runners have built quite a reputation with the future shining bright.

Victory in the Fast Lane

Boys Track

Good showings in district were constant for the boys track teams under the coaching of Charlie Long, Terry Forga and Bill Alexander. The teams main objective was to finish better in district than the previous year and to better their own achievements. Mike Livergood worked extremely hard during the season and was rewarded with the Most Valuable Player Award.

In district competition, Mozelle Darthard and Albert Myres both took 2nd place in the long jump. Third place went to Joe Rossberg in the pole-vault. Fourth place went to the sprint relay team (Albert Myres, Mozelle Darthard, Greg Moon, and D.C. Washington). Fifth place went to Royce Abdalla in the 400. Sixth place went to Greg Moon in the 200. The outstanding runners were Darthard, Myres, Moon, Abdalla, and Clarence Glenn. Nimitz finished 3rd in A.I.S.D.; 4th in Baytown and 5th in district.

"I was pleased with the way they competed," said Coach Long. "When they won against stronger opponents, they won well."

Girls Track

Kisha Williams, Lisa Hunter, Renee Johnson, Tracy Boomer, Annette Hernandez, Rowena Buchanan, and Debbie Stevens were the most consistent. Lisa Hunter broke a Jetero Meet record in the Triple Jump with a 35 feet 5 inch total. The varsity finished 7th in district, while the J.V. finished in 2nd place with a total 104 points. The girls' track most outstanding district qualifiers were their relay teams. The J.V.'s 400 relay placed 2nd, 800 relay placed 3rd, and the 1600 relay placed 4th. The varsity's 800 relay placed 5th.

Coach Hopkins said, "If we hadn't had a lot of varisty injuries the last 3 weeks, we would have gotten farther. We just look toward next year for a better season."

The M.V.P.'s were Renee Johnson and Rowena Buchanan.

Varsity Baseball Strikes 'In' With 15-12 Season

The Varsity baseball team finished their season with a 15-12 record overall and a 7-7 district record.

The outstanding players for the year were Scott Hallmark, Richard Pruitt, and Mike Walker. Hallmark was the leading batter with a .407 average and seven homeruns. Pruitt followed with a .315 average and 16 stolen bases. Walker led the pitching staff with five wins, five losses, and five saves. Robert Nunely tossed in six wins, three losses, and one save.

Gaining placed on All-District 1st String were Hallmark and Pruitt. Walker, John Tayler, and Dwayne Schumann were selected for the 2nd All-District Team.

Coach Dale Hinze felt the team worked hard all during the season and finished with a successful year with high expectations for next season.

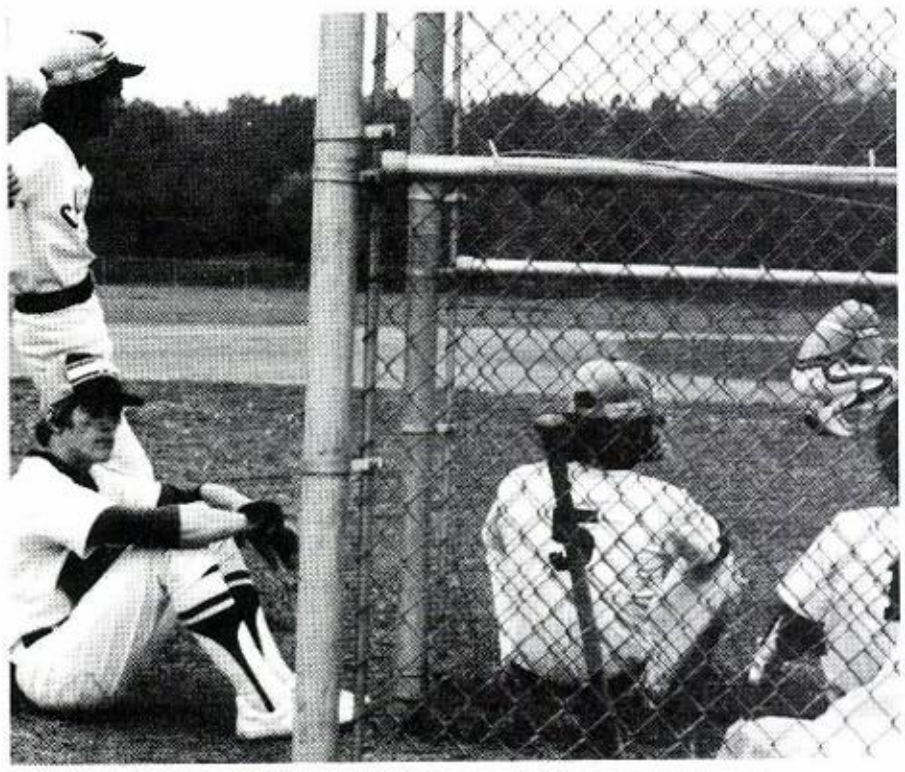
J.V. Winds Up Winner

The J.V. baseball team started their season off slow, but after a lot of hard work and individual effort, they molded into a good team.

The outstanding players were Marvin Stewart, Buzz Wilson, Tom Skinner, and Scott Weigle. Stewart and Wilson led the team in batting with one homerun each. Wilson also led the Cougars in pitching along with Jeff Hellwig.

Finishing the season with a winning 7-6-1 district record, the squad wound up 11-13-1 overall record.

Coach Boyd Lyckman is proud of his young squad and feels they had a successful year. "Many good players should come from the J.V. to help the varsity next year."



Trophies Testify Quality

The 1980-81 golf season proved to be a swinging success for the Nimitz Cougars. Both teams were outstanding according to Coach Frank Chickowski, who used the many individual and overall trophies to back his opinion.

The boys golf team took first place in the Alief, Alvin, and Deer Park tournaments. Mike Shipman was the most consistent player, tying for a 3rd place trophy at Alvin and winning a 2nd place trophy at Alief. Jay Tomlinson won a 2nd at Alief and tied for 1st at Deer Park.

Donna Martin turned in the lowest score of the year for the girls team. Tany DeBardelaben and Cindy Wilhelm lowered their scores throughout the year. The girls golf team played well and improved with each tournament.
